#### 1. **SPEAKER FROM THE MURROW CHILDREN'S CENTRE**

Speaker from the Murrow Children's Centre to keep the Parish Council up to date as to what their role is in the community.

Ann Marie Waterston attend the meeting to outline the services offered by Children's Centre in Murrow to children and their families such as obesity, education, parents from low income and workless households. The meeting was advised that Sure Start works with the local authority and OFSTED and that there will be approximately 3500 such centres set up across the UK. There are two other centres in Wisbech one in the Oasis Centre covering the Waterless area and one in Nene School. The Centre in Murrow is for the villages nine in total Wisbech St Mary, Guyhirn, Murrow, Thorney Toll, Tydd St Giles, Newton, Elm, Fridaybridge and Coldham. The Peckover School in Wisbech is also covered by Murrow. There are several groups that meet at Murrow such as Play activity groups, pregnant mums and new mums and workshops such as gardening groups encouraging healthy eating of fruit and vegetables and cooking. Our help was asked for to enable them to identify families who would benefit from their services.

Some families had stated that the meeting room was not big enough to accommodate many families and that the changing facilities for babies were poor. Ms Waterston pointed out that there was nothing she could do about the size of the room, but they had taken on board the comments about the changing facilities and these were being improved.
